

## Turnitin

Turnitin is a plagiarism detection tool that checks the integrity of the documents your students submit. It acts the same way as if you were to add an assignment in Brightspace, but with Turnitin turned on, it will look for plagiarism in the submitted documents. This page will give you step by step instructions on how to use Turnitin in your course(s).

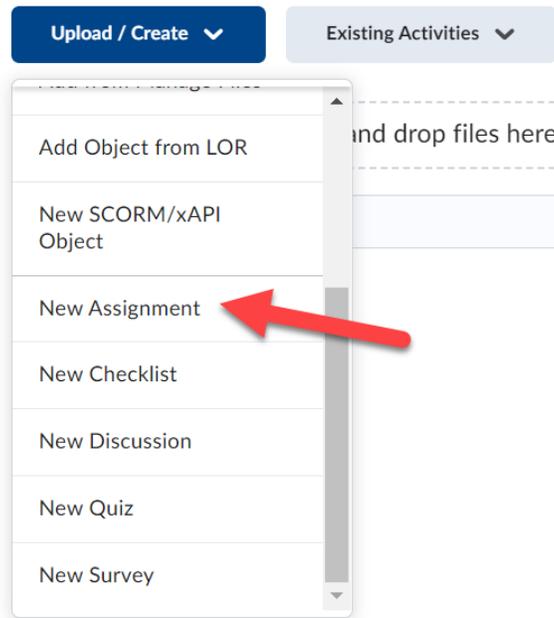

1. Log in to Brightspace and access the course you want to add a Turnitin Assignment to
2. On the navigation bar click **Content**

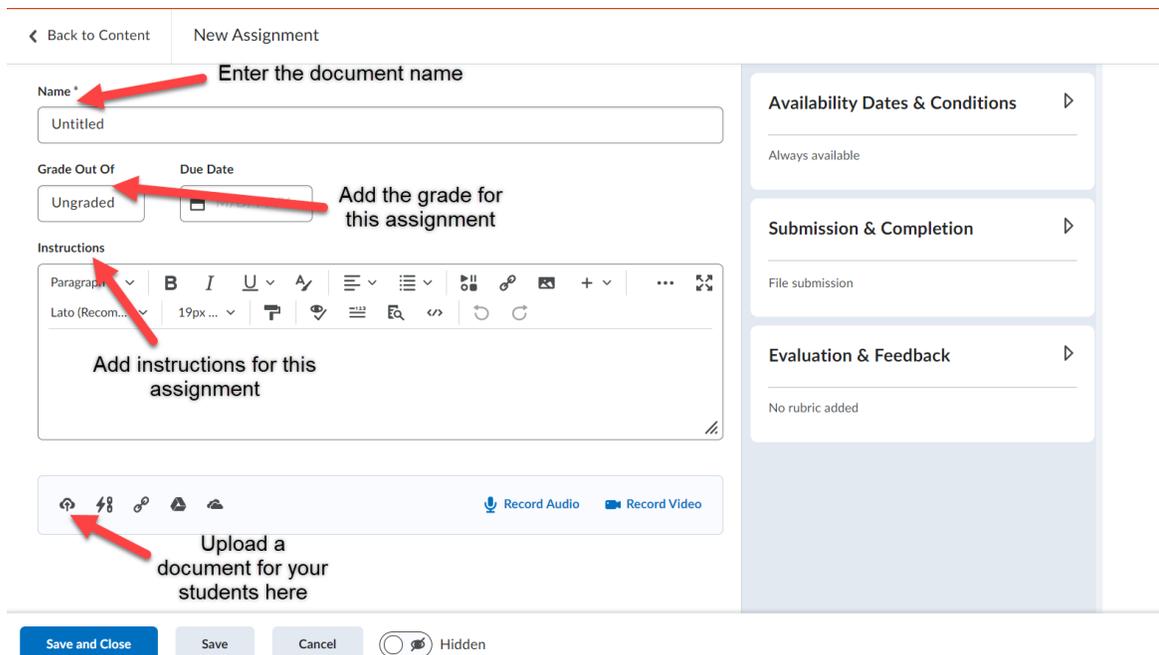

3. On the left side select the week/module that you want to add a Turnitin Assignment to. You can create a new week/module by entering the name in the **Add a module...** box
4. Click the blue **Upload/Create** button

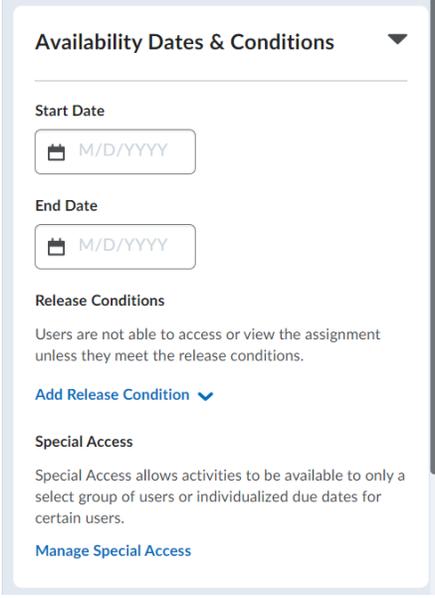

5. After clicking the Upload/Create button, scroll down and select **New Assignment**

6. Give the assignment a name, grade value, and instructions. You can also upload a document for the students to refer to as an example or as an instruction file.

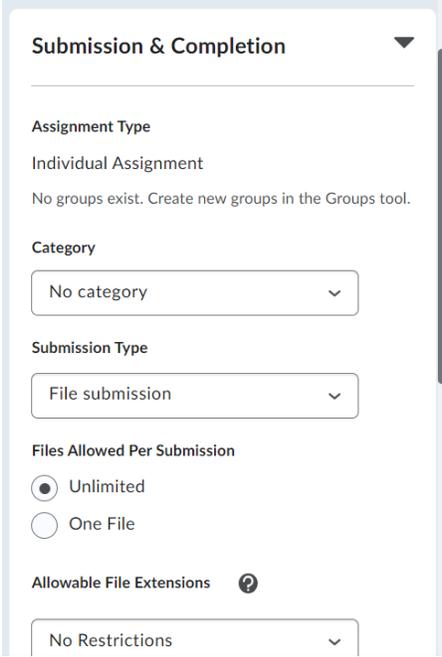

7. On the right side click **Availability Dates & Conditions**. Here you can add a start date, end date, and release conditions.

The screenshot shows a panel titled "Availability Dates & Conditions" with a dropdown arrow. It contains the following sections:

- Start Date:** A date picker field showing "M/D/YYYY".
- End Date:** A date picker field showing "M/D/YYYY".
- Release Conditions:** A text block stating "Users are not able to access or view the assignment unless they meet the release conditions." Below it is a link "Add Release Condition" with a dropdown arrow.
- Special Access:** A text block stating "Special Access allows activities to be available to only a select group of users or individualized due dates for certain users." Below it is a link "Manage Special Access".

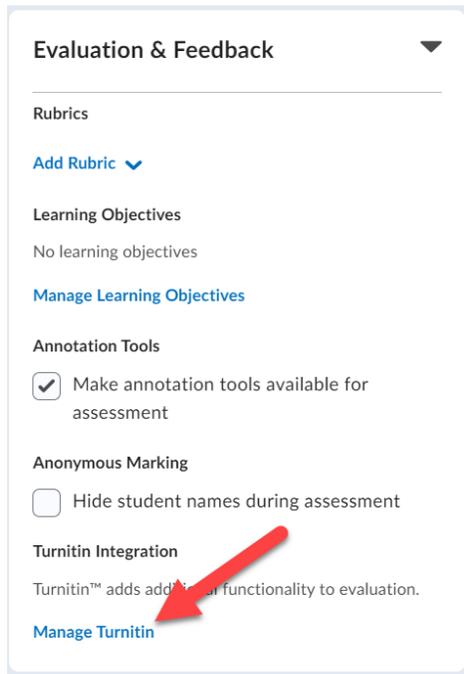

8. On the right side click **Submission & Completion** to add the assignment to a category grade in the gradebook and set the submission type.

The screenshot shows a panel titled "Submission & Completion" with a dropdown arrow. It contains the following sections:

- Assignment Type:** "Individual Assignment" with a note "No groups exist. Create new groups in the Groups tool."
- Category:** A dropdown menu currently set to "No category".
- Submission Type:** A dropdown menu currently set to "File submission".
- Files Allowed Per Submission:** Two radio button options: "Unlimited" (selected) and "One File".
- Allowable File Extensions:** A dropdown menu currently set to "No Restrictions" with a help icon.

9. On the right side click **Evaluation & Feedback**, scroll to the bottom, and click **Manage Turnitin**

**Evaluation & Feedback**

Rubrics

[Add Rubric](#)

Learning Objectives

No learning objectives

[Manage Learning Objectives](#)

Annotation Tools

Make annotation tools available for assessment

Anonymous Marking

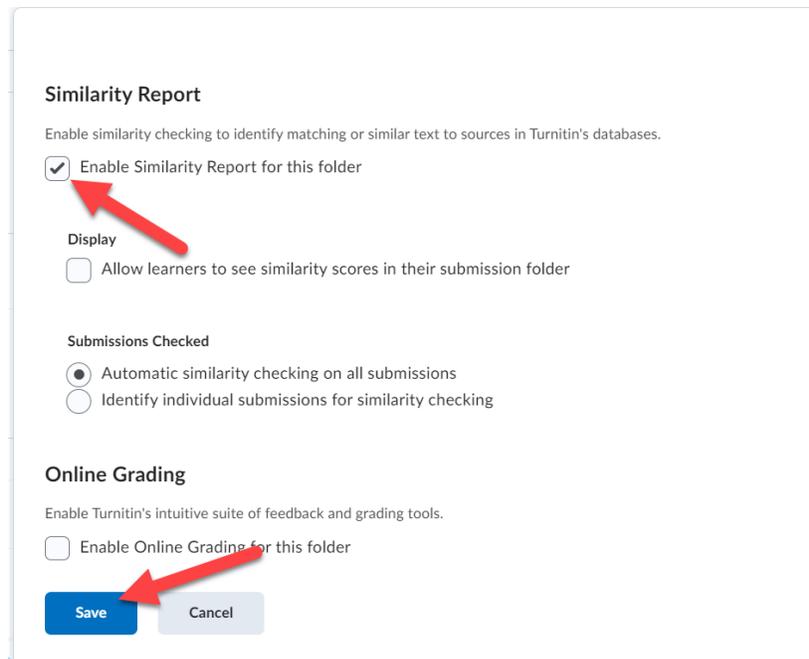

Hide student names during assessment

Turnitin Integration

Turnitin™ adds additional functionality to evaluation.
