STATE UNIVERSITY OF NEW YORK
COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL
and
ADIRONDACK COMMUNITY COLLEGE**

January 2022

This agreement establishes procedures to promote the easy transition of Associate in Applied Sciences (AAS) degree graduates from Adirondack Community College (SUNY Adirondack) in Media Arts and Broadcast Media Production to the Bachelor of Science (BS) in Communication in Technology at the State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified SUNY Adirondack graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in a baccalaureate degree program.
3. To attract qualified students to SUNY Adirondack and SUNY Cobleskill.
4. To facilitate communication and academic coordination between faculty and administrators at each institution regarding curriculum and the transferability of the courses.

Terms of the Agreement

1. Students from SUNY Adirondack, who complete the AAS degree and have the courses outlined in the Addendum A or B, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the Communication in Technology BS degree at SUNY Cobleskill.

3. Courses transferring in as major field courses and ENGL 101, must have grades of C- or better to be accepted for transfer credit.
4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination
