

To facilitate the process of transfer for qualified students within the SUNY system to SUNY Cobleskill's Histotechnician Associate in Applied Science degree program, the following terms have been established:

- Students, from a SUNY college, who complete the pre-requisites stated below, and have a minimum overall grade point average of 2.50, will be accepted into SUNY Cobleskill's Histotechnician program as a second year student. If the class is full, the student will be given the highest priority for the next year.
- The opportunity to complete the Histotechnician Associate in Applied Science degree in one year of academic work at SUNY Cobleskill. This includes a ten week summer clinical rotation at one of our clinical affiliate sites.
- Courses with grades of C or better will be accepted for transfer credit.

### Pre-requisites Required

Biology I & II ( <i>4 credit majors Biology courses with labs</i> )	8
General Chemistry I & II ( <i>4 credit majors Chemistry courses with labs</i> )	8
College Composition	3
College Algebra	3
Social Sciences ( <i>Course to satisfy SUNY GER Social Science Category</i> )	3
Two courses that will satisfy additional SUNY GER categories not already fulfilled	6

**30 credits of the following coursework will need to be satisfied as a SUNY Cobleskill student:**

#### Major Field Requirements - 26 credits including:

BIOL 114	Medical Orientation E-T-R	1
BIOL 251	Microscopic Anatomy	4
BIOL 258	Anatomy & Physiology I	4
BIOL 259	Anatomy & Physiology II	4
BIOL 268	Microtechniques	6
BIOL 275	Clinical Experience Histotechnology	4
PHIL 305	Ethics Science, Medicine & Technology	3

#### Liberal Arts and Sciences – 3 credits

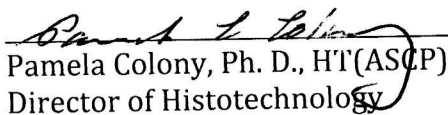

BIOL 219	Microbiology ( <i>recommended</i> )	3
----------	-------------------------------------	---

#### Physical Education
